SENIORS

CLASS OF 1948

OFFICERS

JONATHAN HUTCHINSON: "Hutch" has that sense of humor that keeps the students giggling. He has done a splendid job as President of the class for the last two years. He played Center on the football team and is in the H-W band. He's planning to go to college.

DICK REED: A tall boisterous fellow is Dick, always in a gay mood and forever joking with the teachers as well as his fellow class mates. This year he played Quarterback on the football team, was Vice-President of the Senior Class and worked part time in his dad's printing shop. Dick says he is going to enlist in the paratroopers when he finishes school.

HENRY SCOTTSON: The "money man", tall, dark-haired "Dutch" is the treasurer of the Senior Class, also one of the Sports Editors of the Maroon Crest. He's always heard whistling, or trying to sing like Vaughn, but his serious ambition is to go to college.

PATRICIA TRALLA: The blue-eyed, dark-haired, fair skinned secretary of the class was about the first to inaugurate the "new look" at H-W. Naturally skilled in art and planning to study it later, she has been on the Art Staff of both the Hilltop Herald and the Maroon Crest.

FLORELLA MARIEN: The taller Marien twin, Florella has great sense of humor which she keeps almost hidden with her demure ways. Soft-spoken and gentle, nevertheless she loves dancing.

FLORENCE MARIEN: Florence, the tiny twin, is another of our peppy cheerleaders. Sparkling eyes, a bright smile, and the gift of gab are characteristics of her.

MILLARD MARTIN: Running up the steps after the tardy bell rings seems to be part of Millard's daily dozen. Roller-skating seems to be greatly enjoyed by Millard. He sometimes works with his dad, but after graduation he plans to join the Navy.

MARGARET MISCAVISH: Although both of the twins are quiet Margaret talks a little more than her sister. She is a Typist on the Maroon Crest. After she leaves school she would like to go to the city.

MARTHA MISCAVISH: No, the cat didn't take her tongue; she talks once in a while. Martha also types on the Maroon Crest. She would like to be a telephone operator after graduation.

ALLAN MITCHELL: A big lad with a twinkle in his eye is Allan, holding down a part time job at Broberg's, Allan nevertheless kept his place on the honor roll, and was Photography Editor for the Maroon Crest. His chief interest on the side is astronomy, which he'd like to study further.

GERALD MYERS: The boy who takes a lot of teasing from his classmates, and confidentially, he loves it. "Jerry" isn't doing anything now, although he used to work at Schlifer, and the future is undecided.

MARTHA JEAN ODELL: Fun-loving "Martie" is the life of any party, but that doesn't interfere with her work as Chief Typist of the Hilltop Herald, and as a Feature Editor of the Maroon Crest. A speed demon in typing and shorthand, she naturally wants to work as a stenographer or secretary.

JERRY BEZILLA: Jerry is the tall, brown-haired boy, seen almost anywhere in his "Chevie". He is one of the Business Managers of the Maroon Crest. He wants to go to college to study more about farming.

MARYAN CAUSER: Our tall blonde Maryan combines good looks and brains in such a way as to make her an asset to any organization. She served efficiently this year as Editor-in-Chief of the Hilltop Herald and is typist for the Maroon Crest. A secretarial position is her aim.

IRENE CHRISTOFF: "Nice things come in small packages" fits Irene perfectly. Conscientious, yet fun to work with, she successfully served as Business Manager of the Hilltop Herald this year, as well as a Feature editor of the Crest.

GORDON DILLON: The boy who'll put Faunce on the map: that's Gordon. Declaring himself a woman-hater, Gordon's favorite past-time is teasing the girls. He was an asset to our football team as Left Tackle because he kept in shape by loading clay.

RAY FISHER: Football has always come first among Ray's interests; he played Right End on the 1947 team. Gay, carefree, he loves to make jokes. It's said that Ray's heart belongs to Brisbin, his home town.

MOSLES GEORGL: Smiling, dark-eyed "Mosey" loves to box, and hopes to become a professional. He spends most of his spare time in training, or riding to Coalport. He was LE on the football team and one of the advertising managers of the Yearbook.

JOHN GLOWACKI: The boy with a cute grin and whom you can catch blushing once in a while. John played Left Guard on the football team. After school he may join the service.

JIM GRATTON: A teaser is Jim, who likes plenty of excitement and usually finds it, when he has any time left after helping in his father's store. Good at football, he played Left End this year.

GERARD HENSELL: An active senior with brown hair and bluish-green eyes, who is known as the "Romeo" of the senior class. He was Left Half Back on the football team and an artist on the Hilltop Herald. Gerard seems interested in aviation and in drafting.

PHYLLIS HEGARTY: The newest member of the class, Phyl came to H-W in her junior year. Tall and talkative, Phyl ranks high with the Senior Class for her friendly ways. She loves children and will go to Pittsburgh to take up child nursing.

SHIRLEY HENSHAW: Tall, attractive, and capable is Shirley, the Editor-in-Chief of the Maroon Crest. On the quiet side and very modest, she maintains a high scholastic record. She's easy to get along with because of her kindly ways and gentle humor.

THEO HOOVER: Along with her chum Florence, Theo is proof that being attractive in looks, pleasant in personality, and studious in school, all at one time is easy. We like to tease her about her hobby--writing certain letters.

CORA HUBER: Even-tempered Cora is the sports girl of the class, the only girl who hunts (rabbits, that is). Roller-skating is another of her hobbies. Her ambition is to become a nurse, for which her good-natured manner should be an asset.

FLORENCE JARRETT: This is the blonde-haired, brown-eyed girl so many Senior boys like to tease just to see her blush. Florence is good natured, neat, and always gets her work done on time.

MARY JOHNSON: Fair Petite Mary from Franklin is the girl with the "Bacall voice". She was a reporter this year for the Hilltop Herald and a circulation manager of the Maroon Crest.

THERESA KASSAB: Theresa's long, dark, hair and pleasing personality are two of her most valuable assets. She worked efficiently as typist of the Hilltop Herald and as a class editor of the Maroon Crest. She wants to do secretarial work.

EMERY KLINE: Emery has that blonde hair and those blue eyes that all girls go for. He likes to play baseball, but his real hobby is working on their small farm. He plans to enlist in the army after he graduates.

RUTH LABANT: Our attractive Ruthie in spite of being the school's champion giggler, has been efficient as a class editor on the Yearbook and a Typist on the Herald staff. Also she has had a regular job at Isenberg's for over a year.

JANE LARSON: Janie blushes when teased about her red hair, but on her it looks good. She was typist for the Hilltop Herald and the Maroon Crest. She is undecided about the work she will do after graduation.

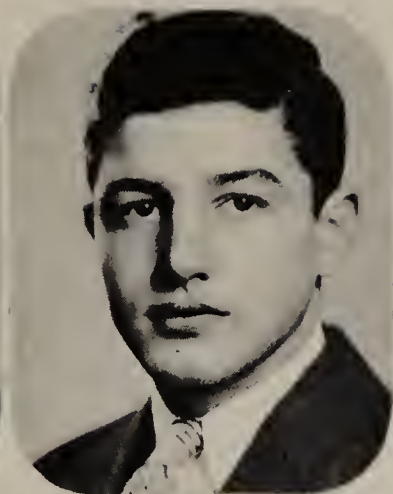

DON LOBB: Our "carrot top"(he doesn't mind) has a cheery word for everyone. In season he eats, drinks, and sleeps football and played Left End on the team. Don always said he wanted to be a policeman--and maybe he will be!

ROBERT LOBE: Bob's favorite pastimes are teasing the girls or arguing "just for the fun of it." He holds a part time job in Broberg's Confectionary, and is in the business department of the Hilltop Herald.

SHIRLEY LOBB: "Gay" Shirley always has a grin for everyone, and she just loves to talk. She enjoyed every minute of her job as Captain of the cheerleaders. Her plans are to go to Washington to work.

MARY LOU LUZIER: The short girl with those laughing brown eyes is usually seen in Red's. Mary Lou, like most of the Senior girls, has the "gift of gab." She plans to do some kind of office work. She is the Circulation Manager of the Maroon Crest.

JOHN MACENSKY: Captain of the football team and sports editor of the Hilltop Herald, "Jinx" is the "strong silent type" whose curly brown hair and smiling blue eyes call forth "ahs" and "ohs" from admiring females.

LARRY RODKEY: Dark, curly-haired "Larry" is another class teaser. He is in H-W band, enjoys music and skating. After he graduates he will work with his Father.

MICHAEL SAHLANEY: Black wavy hair, a sparkling smile, and a pleasing personality will scarcely be hindrances to Mike's intended career as a Medical Doctor. As Production Manager of the Hilltop Herald and as Sports Editor of the Maroon Crest, he has proved himself an efficient worker.

PAULINE SOLENSKY: Blonde, green-eyed Pauline is rather shy in a crowd. She enjoys cowboy music and roller skating. As yet her plans after graduation are indefinite.

MATILDA SWITALA: Happy-go-lucky "Babe" usually finds a bright side to everything. She can spell "almost" every word in the dictionary correctly. Graduation, then to New York to work, are her plans.

RUTH THOMAS: Brown-haired, brown-eyed "Toots" is one of our coy, quiet girls, who can boast (but she won't) of being the one who can blush the prettiest. She is a Typist on the Hilltop Herald. For a career she is considering teaching but as yet is not too definite about it.

BOB VOGLE: Bob's dark curly hair is the envy of all blondes. He loves to dance, especially the polka. Holds a part time job in Morgan's Barber Shop, and plans to be a barber.

CHARLES WIERICK: Chuck is the mischievous blond, blue eyed boy of the class. He loves football and did a good job as fullback. He has a part time job at the station delivering freight. After graduation, he'll keep on working.

JOHN ZAKUTNEY: One of the "quiet" boys of our class--if you can call any of them that--is Jack. He was an activities editor of the Maroon Crest, and football manager for the 1947 season. His hobby is playing the piano. He wants to study music or join the army.

CLASS HISTORY

September 1946, the first day we were Juniors. Our class of forty-five, 22 girls and 23 boys, was assembled in room 3, with our two teachers, Miss Hurley and Mr. Henshaw. A few weeks later we elected our class officers; President, Jonathan Hutchinson; Vice-President, Henry Scottson; Secretary, Allan Mitchell; Treasurer, Richard Reed. Before the month was over, Phyllis Hegarty was added to our class roll, making our class evenly balanced with 23 girls and 23 boys. For our first activity maroon and white novelty pins were sold under the supervision of Irene Christoff, Ruth Labant, and Henry Scottson; then after mid-year tests were over we had a dance at the Legion Hall. As a purely social "get-to-gether" the class had a St. Valentine's Day Party at the St. Lawrence Church Hall. Last of all and the most looked forward to was the Junior Prom in May for the Seniors, held at the Legion Hall. Apple blossoms gave color and fragrance to the hall, and the large maroon and gold H-W emblems made by Patsy Trella and mounted on the wall were distinctive. Prom programs and favors were designed and typed by the Junior girls. Oh! we just can't forget the bowl of punch made by Miss Hurley and the Refreshments committee. And so ended our eventful Junior year.

September 5, 1947, the first day we were Seniors. From the beginning our class roll was decreased two, when Mary Ann Laskowsky and Richard Higgins left the school. Even though they had left, our class still remained even with 22 girls and 22 boys. We were quickly assembled in Room 4, under the supervision of Miss Stolz. After two weeks, we elected our class officers; President, Jonathan Hutchinson; Vice President, Richard Reed; Treasurer, Henry Scottson; Secretary, Patricia Trella. Our first class activity was a magazine subscription drive under the direction of Mary Lou Luzier and Allan Mitchell. Then came November 15, when the Seniors held the greatest of all occasions, the Sadie Hawkins Dance. Oh! what a "swell" time the girls had shyly asking the boys to dance. Believe us the fellows just "loved it." In December, we held a bake sale in order to increase our treasury. Then as a social get-together, the class held a Christmas party at the St. Lawrence Church Hall. Then came that day when all the girls and boys dressed-up in their Sunday best and gathered at Gee's studio to get their yearbook pictures taken. The class then sold Everyday Greeting Cards which made a very nice addition to the Washington Fund. Oh, we must not forget the time and work we gave toward the bettering of the school paper "The Hilltop Herald." Another one of our school activities was the Senior assembly, a self made radio program, that gave the underclassmen many giggles and laughs. Maryan Causer, Martha Jean O'dell, Ruth Labant, John Magensky and Richard Reed made up the committee to select several plays for our Commencement exercises. "The Goose Hangs High" was the play selected by the class. Next came Baccalaureate Day, and on May 27 the long awaited Graduation Day. And so ended the eventful year 1947-48.

IN TWENTY YEARS

It's 1968! It's been an exciting year for the Class of '48 when their class president, Johanathan Hutchinson, has become President of the United States.

The Ball Room of the White House is attractively arranged and Mr. President and his private secretary, Maryan Causer, are now entertaining their guests, the Members of the Class of 48.

The dreamy music comes from Larry Rodkey's 33-piece orchestra, and his star singer is none other than Mary Johnson.

Gerard Hansel, romantic star of the screen, takes over his next picture with blonde leading lady, Martie Odell, and make-up artist, Robert Vogle.

In one corner handsome Dr. Mike Sahlaney, his private nurse Theo Hoover, and Phyllis Hegarty, child nurse of the Pittsburgh Children's Hospital, are telling H-W High School Principal, Ruth Thomas, about the children's clinic which will be built in Hotzdale soon.

The dancing twins Florence and Florella Marien, who have just returned from Radio City, are doing a performance for football All-Star John Magensky and Big League pitcher Don Lobb.

Jane Larson and Theresa Kassab, co-owners of Fifth Avenue's "Exclusive Dress Shop," discuss the "New Short Look" with Paramount Dress Designer, Patricia Trella.

John Glowacki, pilot of a rocket ship, Ray Fisher, co-pilot, and Allan Mitchell, astronomer, tell Jerry Bezilla, great scientist, about their three-day visit to Mars.

Secretary of Agriculture, Emery Kline, congratulates Robert Lobb on his new "modern tractor."

Margaret and Martha Miscavish, famous bowling twins, are excited as they listen to pro-boxer Mosey George.

Shirley Henshaw, editor in-chief of the Women's Magazine, stands on the patio and listens to Jack Zakutney play his latest composition "Symphony in F Minor D Flat."

Gordon Dillon, head of the Pennsylvania State Police, and Millard Martin, member of the Merchant Marines, proudly show their uniforms to Matilda Switala and Pauline Solensky, hotel managers in Florida.

Henry Scottson, State income-tax collector, forgets about money and enjoys a dance with Mary Lou Luzier, famous novelist.

Shirley Lobb, women's physical education director of Pennsylvania State College, is interviewed by owner of the New York "News," Dick Reed.

Charles Weierick, president of the Pennsylvania Railroad, and Jim Gratton, owner of chain grocery stores, break up the conversation between Ruth Labant, champion ice skater, and Irene Christoff, ski-champion, just home from Switzerland.

Before the party breaks up Florence Jarrett, Mayor of Hotzdale, gives full report of the progress of the home town.

WOODDALE FOOTBALL

Under the coaching of John Chihon, the Houtzdale-Woodward football team ended the 1947 season with a record of five games won, three lost and two tied.

With a year of experience behind them, the Wooddale eleven showed an improvement over the previous year, although they got off to a bad start. The season was opened at Cooper on September 13, where the Wooddale Eleven lost 31-0. On September 20, however, the H-W team got the feel of things, and came back to beat Westover 13-6. At the first home game, on September 29, Wooddale handed Snowshoe a 7-0 beating for our second win of the season. However, on October 2, Cooper again defeated us, although the score was held down to 12-7 this time. At the Philipsburg Memorial Stadium on October 9, Wooddale trampled the Philipsburg J. V's. by a score of 33-0. October 16 found the Wooddale eleven at Clearfield, battling to a 13-13 deadlock with the Clearfield J. V's. Our fifth win of the season was chalked up on October 25, when we beat Howard 12-7. Mahaffey was next on the list of losers to Wooddale when we walked away with a 13-6 victory. Morrisdale checked our winning streak on November 6 by downing Wooddale 20-0. On November 11, Wooddale wound up the season at Osceola. Because of rain and a very muddy field, neither team had many opportunities to score, and at the end of the game the score was 0-0. Thus the 1947 football season came to a close.

John Magensky had been elected captain of the 1947 season the previous year, and at the end of the 1947 season, George Zimmerman was elected captain of the 1948 team.

Athletic awards were made at a special assembly on February 21 when Coach Chihon presented maroon sweaters decorated with H-W letter emblems to the senior boys on the team: Gordon Dillon, Ray Fisher, John Glowacki, James Gratton, Gerard Hansel, Jonathan Hutchinson, Don Lobb, John Magensky, Allan Mitchell, Dick Reed, Charles Weierick, Jack Zakutney. At that time also, Miss Bette Borland presented similar sweaters to the senior cheerleaders: Shirley Lobb and Florella Marien.

H-W CHEERLEADERS

A decided asset to any football team were our eight trim-looking Wooddale cheerleaders. Clad in white skirts and Maroon sweaters they made a pretty picture. A dynamic group, under the peppy captaincy of Brisbinites Shirley Lobb, they well knew how to emphasize the victories and minimize the effect of the losses.

THE HILLTOP HERALD

The Hilltop Herald, begun last year as the Houtzdale-Woodward H-S paper, was then issued in printed form. This year the paper, issued five times, has been in mime-graphed form, enlarging its circulation and at the same time reducing its cost. All the work on the publication has been done here at the school.
